TPS-011 Script

("Footloose" starts playing)

(But Snippy sings "Go, Go, Go" from *The Backyardigans*)

Snippy (singing): *I'm now in front! I've got the speed! I love it when I'm in the lead! I gotta...*

Dod: No, no, no. Snippy, you're singing the wrong song. We're singing "Footloose," not "Go, Go, Go." We can't have this video blocked by ViacomCBS.

Snippy (speaking): But Dod, they just sound like each other.

Dod: Hmmm...

Snippy (speaking): Ok. Let's try that again. This time, I'll sing "Footloose."

Dod: Ok. Aaaand... GO!

Snippy (singing): *I've been working so hard!*

Nashville (singing): *I'm punching my card!*

Snizzy (singing): *Eight hours, for what?*

Harry (singing): *Oh, tell me what I got!*

(Snippy, Nashville, Snizzy and Harry sing along)

I gotten this feeling

That time's just holding me down

I'll hit the ceiling

Or else I'll tear up the ground!

Tonight, I gotta cut loose! Footloose!

Snippy (singing, solo): *Kick off your Sunday shoes!*

All 4 singers: *Please! Louise!*

Snippy (singing, solo): *Hold me up on my knees!*

All 4 singers: *Jack! Get back! Come on before we crack!*

singing): *Lose! Your blues! EVERYBODY CUT FOOTLOOSE!*
